**Cast wheel Bonneville and single disc Speedmasters also require a new front disc, disc bolts and front wheel spacers, as the standard ones are not compatible with our hubs. The cost for these parts is £165.00.**

We have listed the most popular wheel sizes and colours, but we can build your wheels with almost any colour or any size rim in stainless or alloy. Please let us know what you'd like and we'll give you a quote.

We have several pairs of Genuine Triumph hubs in stock, so if you're looking for something a bit cheaper, we can build you some wheels using these hubs and the spokes and rims of your choice. We have also taken a few pairs of brand new Genuine Triumph wheels in part exchange, so we can offer these, either for use with inner tubes, or sealed for tubeless tyres. Please enquire for prices.

**UK carriage (up to 20Kg) - £24.00**

**All prices are now fully inclusive. We are no longer VAT registered, so prices are the same to all UK and overseas customers.**
